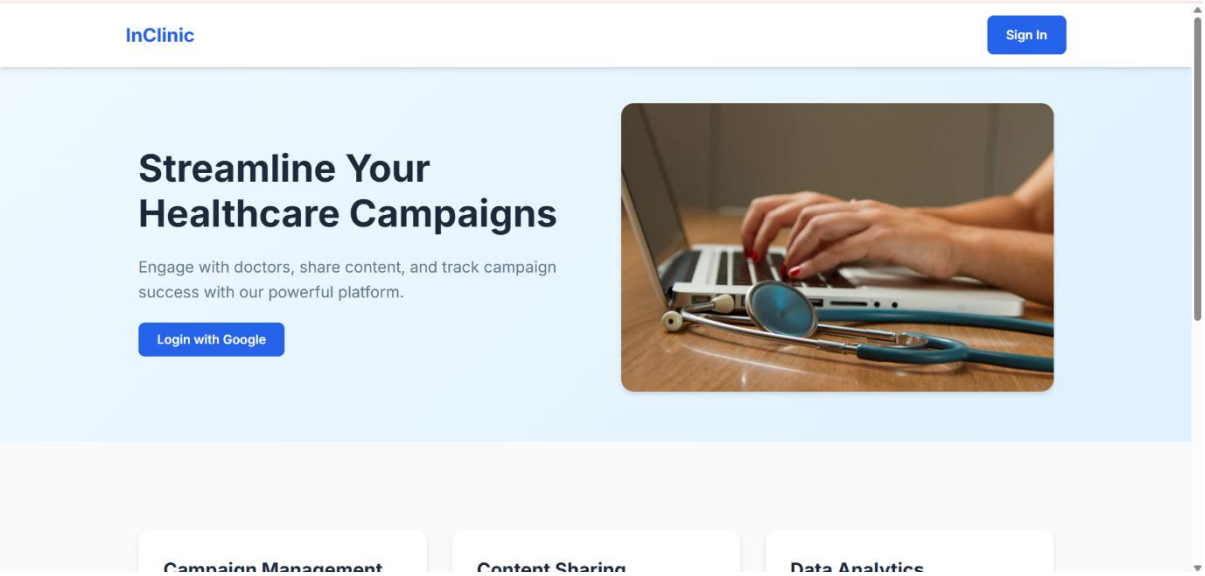
Documentation of Collateral System

1. Login / Landing Page

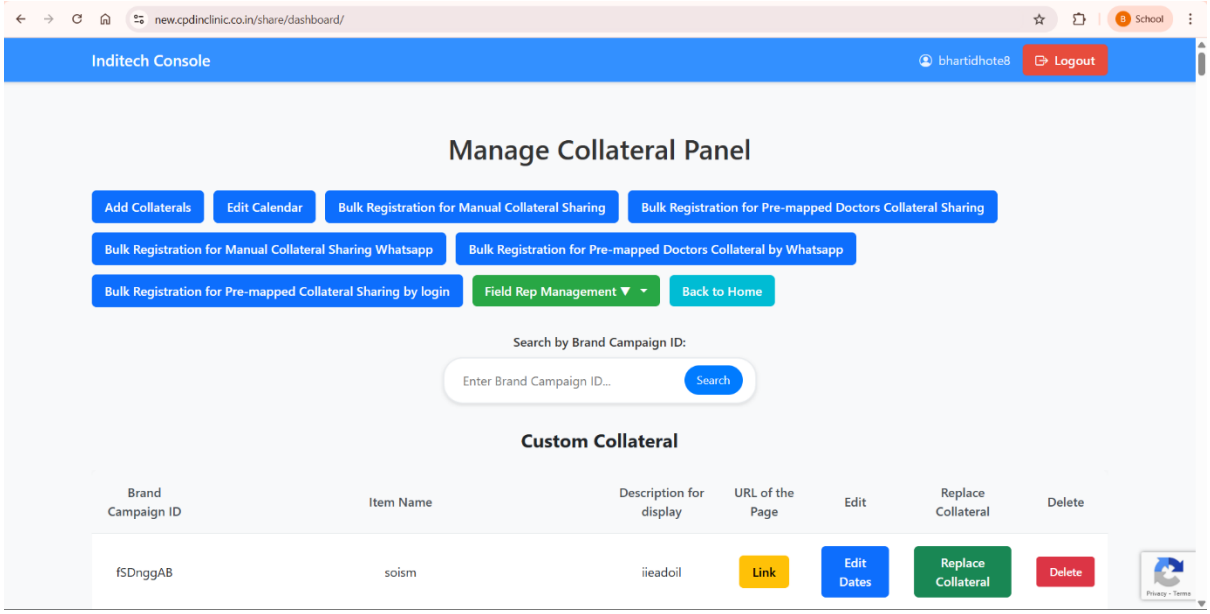
- **URL:** https://new.cpdinclinic.co.in
- **Page Name:** InClinic Landing Page
- **Purpose:** Entry point where users log in to the platform.
- **Key Features:**
  - *Login with Google* for authentication.
  - *Sign In* button.
  - Headline: *"Streamline Your Healthcare Campaigns"*.
- **Expected User Action:** Click on *Login with Google* or *Sign In*.
- **Tester Notes:** Validate login, Google OAuth flow, and error handling for failed login.



2. Dashboard – Manage Collateral Panel

- **URL:** https://new.cpdinclinic.co.in/share/dashboard/
- **Page Name:** Inditech Console – Manage Collateral

- **Purpose:** Main control panel for managing healthcare campaign collaterals.
- **Key Features:**
    - *User Info & Logout* at top-right.
    - Action buttons: *Add Collaterals, Edit Calendar, Bulk Registration (Manual/Pre-mapped), Field Rep Management*.
    - Search bar: Search by *Brand Campaign ID*.
    - Custom Collateral table with options to **Edit Dates**, **Replace Collateral**, **Delete**.
- **Expected User Action:** Manage campaign collaterals via upload, edit, bulk registration.



3. Custom Collateral Listing Page

- **URL:** https://new.cpdinclinic.co.in/share/dashboard/
- **Page Name:** Custom Collateral Management
- **Purpose:** Detailed listing of all collaterals under campaign IDs.
- **Key Features:**
    - Table with columns:
        - *Brand Campaign ID*
        - *Item Name*
        - *Description for Display*

        - *URL of the Page*
        - *Actions*: **Link** (yellow), **Edit Dates** (blue), **Replace Collateral** (green), **Delete** (red)

- **Expected User Action:** Review, update, replace, or delete collaterals.

Custom Collateral

Brand Campaign ID	Item Name	Description for display	URL of the Page	Edit	Replace Collateral	Delete

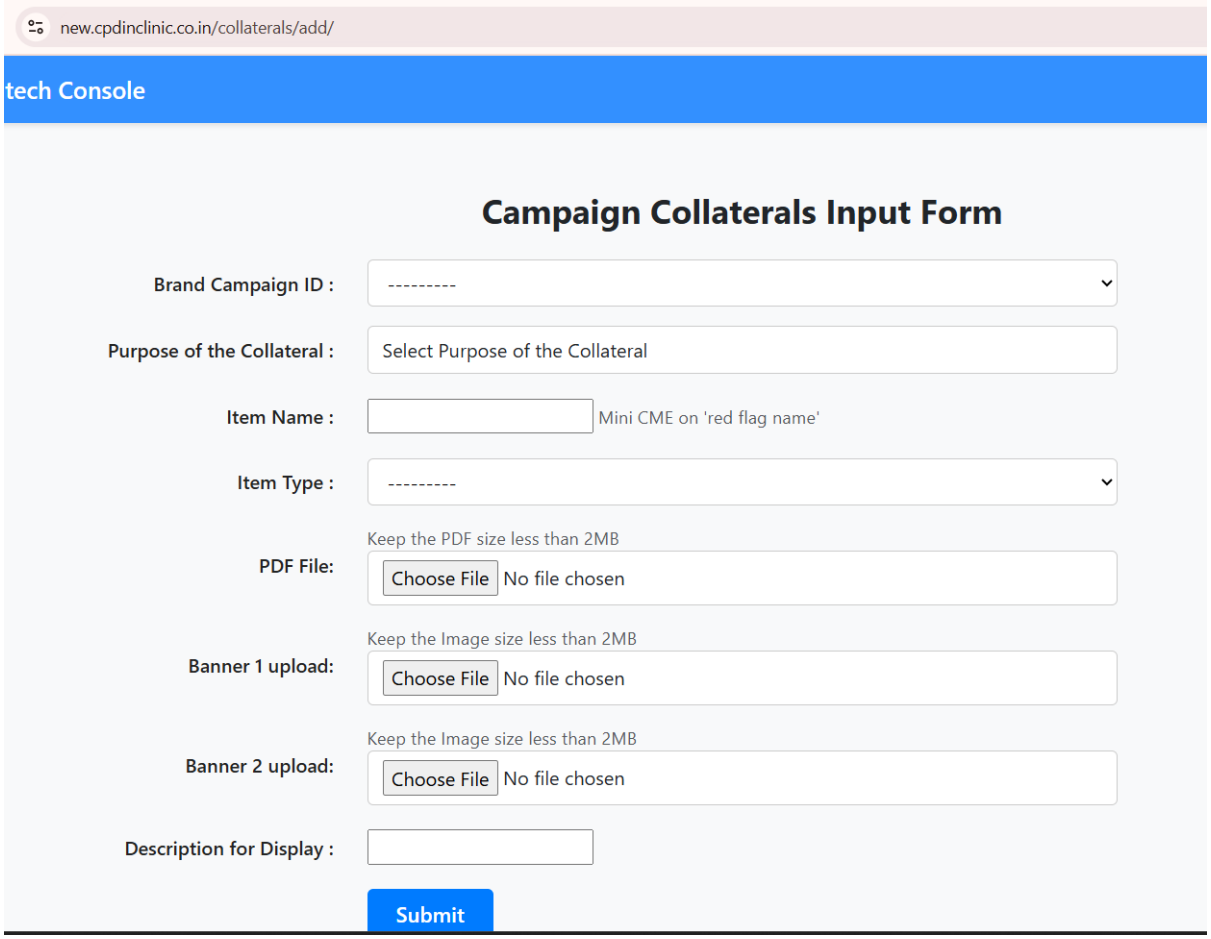
R0B13ywB	Frequent or severe headaches, especially in the morning or when blood pressure is high		Link	Edit Dates	Replace Collateral	Delete

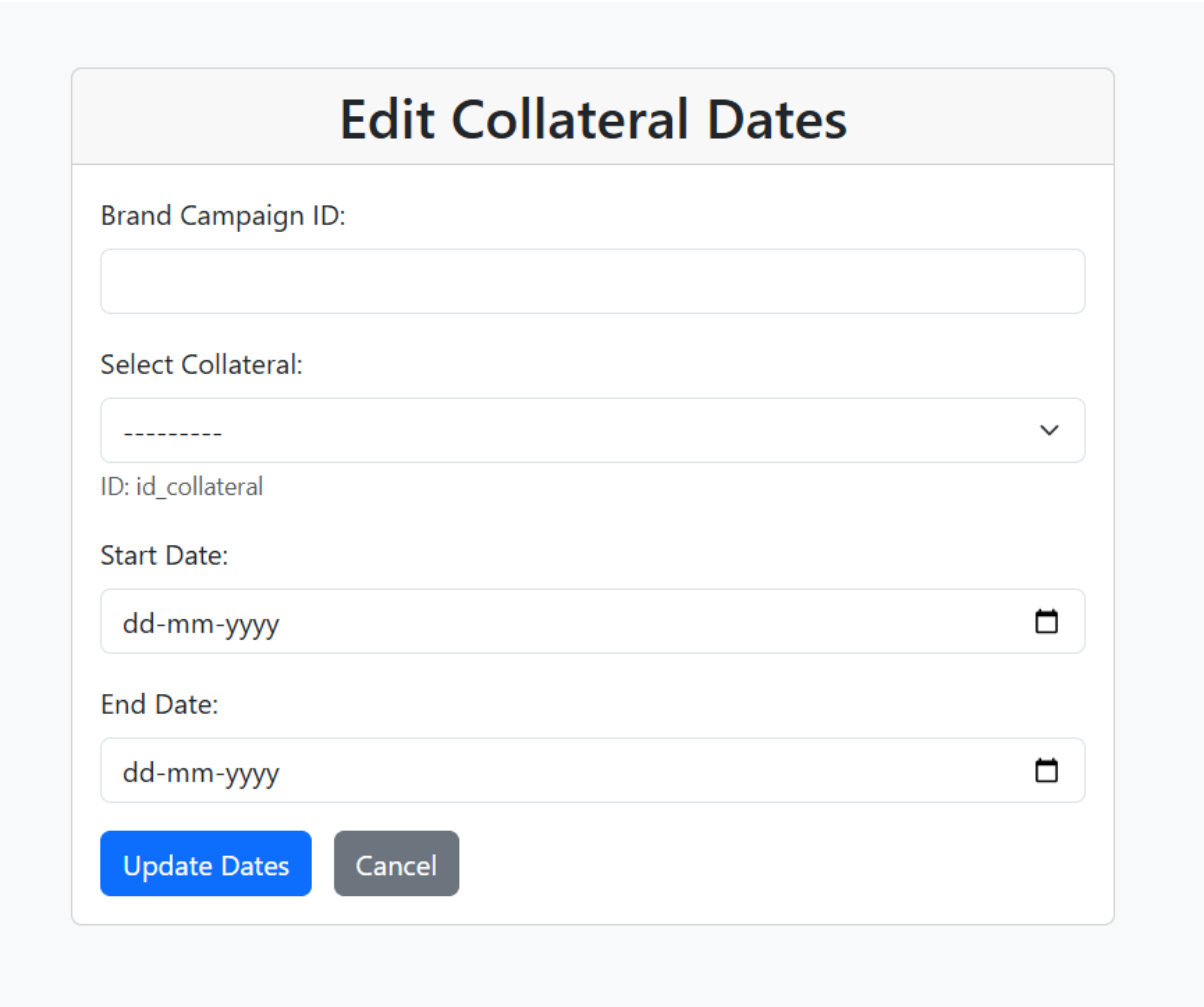
4. Add Collateral Page

- **URL:** https://new.cpdinclinic.co.in/collaterals/add
- **Page Name:** Campaign Collaterals Input Form
- **Purpose:** To add new collaterals into the system for a specific campaign.
- **Key Features:**
    - Input Fields:
        - *Brand Campaign ID* (dropdown selection)
        - *Purpose of Collateral* (dropdown)
        - *Item Name* (text input)
        - *Item Type* (dropdown)
        - *PDF File Upload* (max 2MB)
        - *Banner 1 & Banner 2 Uploads* (image uploads, max 2MB each)
        - *Description for Display* (text field)
    - **Submit Button:** Saves collateral to system.
- **Expected User Action:** User fills form and uploads documents/images to create new collateral.



5. Edit Collateral Dates Page

- **URL:** https://new.cpdinclinic.co.in/share/edit-calendar/
- **Page Name:** Edit Collateral Dates
- **Purpose:** Update campaign time period for selected collateral.
- **Key Features:**
  - *Brand Campaign ID* (read-only or auto-filled)
  - *Select Collateral* (dropdown)
  - *Start Date* (date picker)
  - *End Date* (date picker)
  - Action buttons: **Update Dates**, **Cancel**
- **Expected User Action:** Select collateral and update valid start/end dates.



6. Bulk Registration Process

1. Click on the **Bulk Registration** option(pre-mapped, manual, pre-mapped whatsapp, manual whatsapp).
2. A prompt will appear asking for **Admin Login**.
3. Enter the credentials to proceed.
4. **Username:** Inclinic
5. **Password:** inclinic123@
6. Once logged in, you can continue with the bulk registration process.
7. Url:
   https://new.cpdinclinic.co.in/share/bulk-manual-share/
   https://new.cpdinclinic.co.in/share/bulk/premapped/

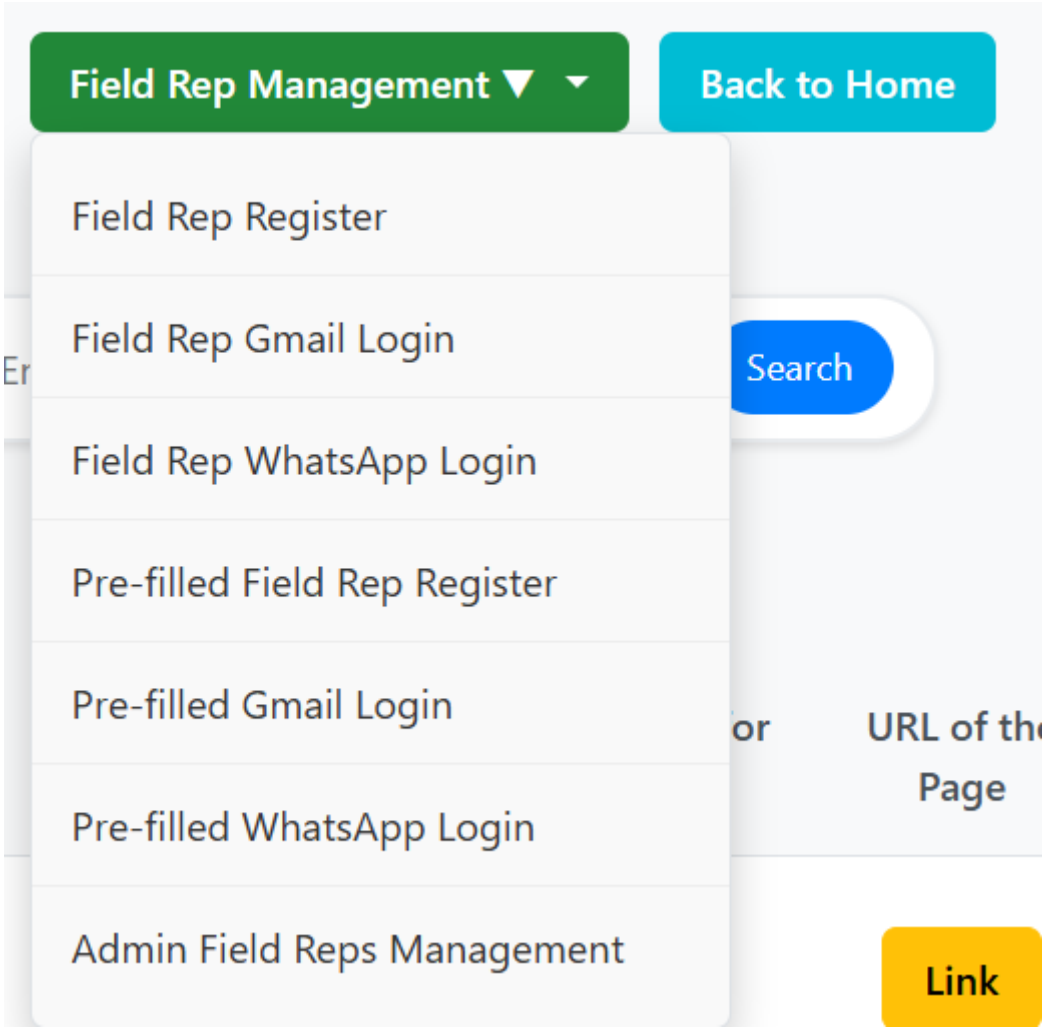
   https://new.cpdinclinic.co.in/share/bulk-manual-share-whatsapp/

   https://new.cpdinclinic.co.in/share/bulk-prefilled-whatsapp/

7 . Field Rep Management Section

- URL: Accessible from Dashboard → Field Rep Management dropdown
- Page Name: Field Rep Management Options
- Purpose: Manage registration and login of field representatives (via Email/WhatsApp, both manual and pre-filled).
  Available Options:

1. Field Rep Register
   - Allows manual registration of a new field rep.
2. Field Rep Gmail Login
   - Enables Gmail-based login for field reps.
3. Field Rep WhatsApp Login
   - Enables WhatsApp-based login for field reps.
4. Pre-filled Field Rep Register
   - Quick registration form with some fields auto-filled for ease.
5. Pre-filled Gmail Login
   - Gmail login with pre-filled credentials/fields.
6. Pre-filled WhatsApp Login
   - WhatsApp login with pre-filled details.
7. Admin Field Reps Management
   - Restricted section for admin use only.
   - Requires Admin Credentials:
     - Username: Inclinic
     - Password: inclinic123@



8 Admin Field Reps Management (via Dropdown)

1. From the **Field Rep Management** dropdown, click on **Admin Field Reps Management**.
2. The system will redirect you to the **Admin Login Page**.
3. You will be required to enter valid credentials:
    - **Username:** Inclinic
    - **Password:** inclinic123@
4. After successful login, you will be redirected automatically to the following page:
    - **URL:** /admin-dashboard/fieldreps/
    - **Here you can add fieldreps and edit delete and view doctors.**
5. Only users with valid admin credentials can access this section.
6. From here, Admin can manage all Field Representatives.

10 . Doctor Journey (Collateral Access)

1. **Collateral Shared** → The doctor receives the collateral from the field representative.
2. **Short Link Access** → The doctor clicks on the short link provided.
3. **Verification** → The doctor enters their WhatsApp number and completes a one-time verification process.
4. **Access Granted** → After successful verification, the doctor can view the collateral.
5. **PDF Handling**

   Currently, system does **not have all collaterals in PDF format**.

   A temporary option is provided: **Upload PDF**.
6. **PDF Download by Doctor**

   After upload, Doctor can **download the collateral PDF** from the link.

   Doctor can then **view/save it for later use**.

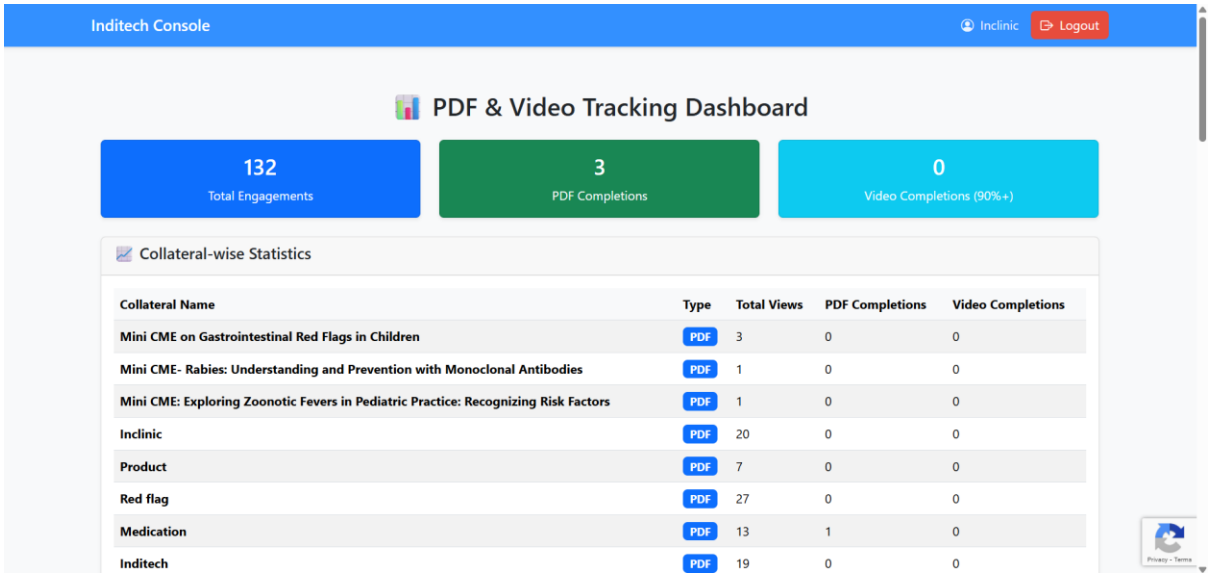
11. Tracking & Analytics


- **URL:** http://127.0.0.1:8000/view/tracking-dashboard/
- **Purpose:** To monitor how doctors are engaging with shared collaterals (PDFs and Videos).
- **Key Features:**
    1. Track which collateral (PDF / Video) has been opened.
    2. Track how much of the collateral has been completed/viewed by the doctor.
    3. Generate insights on doctor engagement with shared content.
